Dear Colleague at American Red Cross (Relief Work/Joplin MO Tornado Victims):

Please find a check for \$675 towards the victims of Joplin Missouri affected by the nation's deadliest single tornado in more than 60 years that hit this Midwestern town last Sunday May 23<sup>rd</sup>. We understand this is a small amount of money that Bangladesh Development Initiative ( BDI: [www.bdiusa.org](http://www.bdiusa.org) ) could afford to donate, but it is meant to be a token of our deep feeling of sympathy for the people of Joplin Missouri, who have been struggling to cope with the dire situation there.

We also wanted to thank you for your relief work and fund-raising activities to help out the people of Joplin/Missouri at their time of need.

Sincerely,

*Ashraf Ali*
